CitySide Subaru of Belmont has donated \$11,100 to the Foundation for Belmont Education (FBE) as part of the Subaru *Share the Love* program. CitySide Subaru selected the FBE, for a third year, as one of their local non-profit organizations to benefit from the Subaru *Share the Love* fundraiser. This year, Subaru of America donated more than \$24 million to national and local charities, for a total of \$94 million throughout the history of the campaign.

"It is CitySide Subaru's fifth year as an Investor with the FBE. We greatly appreciate that the support we provide when partnering with the FBE helps the local community and, in particular, helps Belmont's schools in a meaningful way. We feel that we have the greatest and most beneficial impact on the community through our support of the Foundation for Belmont Education and the Belmont school system," said Rick White, Dealer and Principal of CitySide Subaru. In addition to the traditional

Share the Love program, CitySide Subaru generously offered an additional discount to all Belmont Public School teachers and staff who purchased a car during the promotion.

CitySide Subaru is one of the FBE's Investors in Education — businesses that donate more than \$5,000 annually to the Foundation. They have also been the primary sponsor of the FBE's annual Dan Scharfman Memorial Run since it was established in 2013. To date, CitySide Subaru has donated more than \$65,000 to the FBE. "CitySide Subaru's commitment to the FBE is remarkable. They are always enthusiastic about partnering with us on new campaigns and come to us with ideas that greatly benefit education in Belmont. It's partnerships with local businesses, like CitySide Subaru, that truly make a difference in the Belmont Public Schools," said Stacey Conroy, VP of Fundraising for the FBE.
