

November 2018

Dear Friends,

As we close out the Foundation for Belmont Education's silver anniversary year, we are incredibly proud of the important work we have been able to accomplish over the last 25 years. The FBE has awarded a remarkable \$3.7 million to the Belmont Public Schools through our Learning Excellence Grants, special initiatives, and professional development programs. These awards have enriched every school and benefitted every student in the Belmont Public Schools.

The FBE has achieved this remarkable milestone because of generous financial and volunteer support from so many Belmont families and businesses. Whether you have attended the Spring Fundraiser, registered a child for the Spelling Bee, ran the Dan Scharfman Memorial Run, made a previous Annual Appeal donation, honored a teacher with a STAR award or bid on an auction item, we are very grateful to you.

Together, we can Make a Difference for another 25 years! *We ask you to donate to our Annual Appeal so that we can continue to provide excellence, enrichment and engagement in the classroom and beyond.* Your gift will allow the FBE to fund:

- Innovative programs that impact student learning
- Grants and projects that enhance the district curriculum
- Professional development for teachers and staff

Your contribution is vital to the FBE's mission to make a difference in the educational experience of every Belmont student. Thank you for supporting the tradition of excellence in the Belmont Public Schools.

Sincerely,

Christa Bauge
