CitySide Subaru of Belmont has donated \$32,600 to the Foundation for Belmont Education (FBE) as part of the Subaru *Share the Love* event. CitySide Subaru selected the FBE, for a fourth year, as their local non-profit organization to benefit from the Subaru *Share the Love* fundraiser. This year, Subaru of America donated more than \$21 million to national and local charities, for a total of \$115 million throughout the history of the campaign.

“We could not be more excited about our partnership with the Foundation for Belmont Education. This is by far our most successful turnout with the Subaru *Share the Love* campaign. This year, with the help of our loyal customers and the community at large, we were able to shatter

all previous donations amounts for the Foundation for Belmont Education. Thank you to all who helped to make this happen,” said Nathan White, General Manager, CitySide Subaru.

In addition to the traditional *Share the Love* program, CitySide Subaru generously offered an additional discount to all Belmont Public School teachers and staff who purchased a car during the promotion.

CitySide Subaru is one of the FBE’s Investors in Education — businesses that donate more than \$5,000 annually to the Foundation. They have served as the primary sponsor of the FBE’s annual Dan Scharfman Memorial Run since it was established in 2013 and in 2017 provided a pace car, driven by Dealer and Principal, Rick White, to lead the runners. To date, CitySide Subaru has donated more than \$100,000 to the FBE. “We are incredibly appreciative of CitySide Subaru’s commitment to the FBE and to the Belmont Public School. CitySide truly partners with the FBE to further our goals and to make funding of innovative and enriching programs in the Belmont Public Schools possible,” said Stacey Conroy, VP of Fundraising for the FBE.
