

FOUNDATION FOR
BELMONT EDUCATION

The Foundation for Belmont Education (FBE) is pleased to announce and summarize the awards that were recently approved for the 2019-2020 academic year. Attached is a summary of twelve Learning Excellence Grants, awarded to Belmont Public Schools on May 29, 2020, totaling \$29,547.

We are very grateful for the generous support that the FBE receives from the Belmont community, which allows the FBE to provide this well-deserved support to the Belmont Public Schools.

With this outstanding support, we look forward to making many more grants to our schools in the coming years.
